2022

“How did it get so late so soon?
It’s night before it’s afternoon.
December is here before it’s June.
My goodness how the time has flown.
How did it get so late so soon?” — Dr. Seuss

December is here and the feeling at Fontbonne is merry and bright...

CONGRATULATIONS

- Congratulations to VARSITY & JV CHEER TEAMS! Both teams earned bids and made it to Nationals in Orlando, Florida.
- Congratulations as well to our Varsity Volleyball team for taking Diocesan and City Championships....way to go Bonnies!
- Two student teams from Fontbonne were selected to be part of the prestigious Urban BarCode Project Competition. In the Urban Barcode Project, student-research-teams use DNA barcoding to discover and catalog biodiversity on our planet. In previous years, Fontbonne students discovered new plant DNA codes and have been cataloged. Brains and Brawn because SHE CAN!
