2022

"She had only to stand in the orchard, to put her hand on a little crab tree and look up at the apples, to make you feel the goodness of planting and tending and harvesting at last."

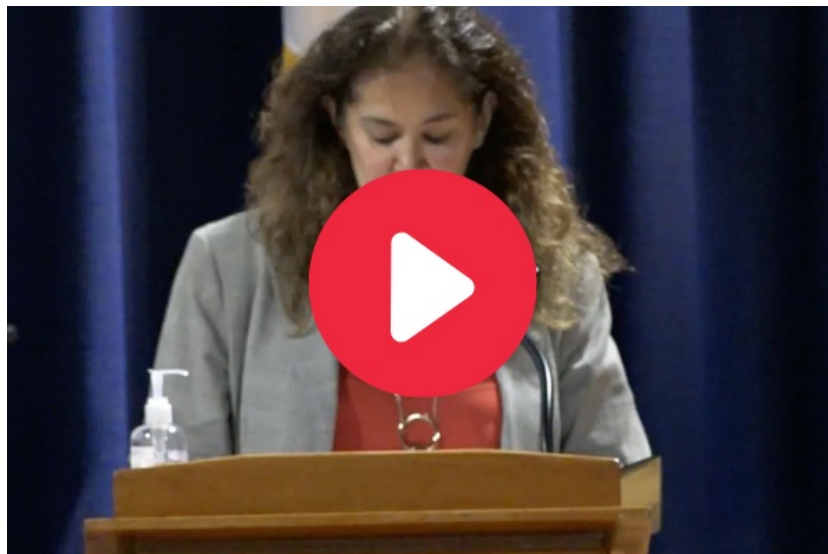

-Willa Cather

All that is planted and tended is now harvested...one of God's gifts to us is Autumn...her colors, cool breezes, special fruits and veggies. We are beginning to harvest this year's gifts. The first quarter is halfway completed; we have had a very successful open-house, and reunion is around the corner...

Alumnae Information Night

On September 27th we held an Alumnae Information Evening to answer many of the questions on topics about which the alumnae have expressed concerns.

We are grateful to all our alumnae who wrote in with questions, attended the live event or live-streamed. CSJ Leadership Team member, S. Maria Pascuzzi, also addressed the group. If you missed the evening, and would like to view it, please click on the image below.

Opportunity for Fellowship

The CSJ community is offering Young Adult community evenings every Friday night. Details below.
